BIA CAMP GOALS

Join us for our ELEVENTH year of summer hockey camps. Our goal is to provide each child with the opportunity to learn the game of ice hockey and improve skills. This summer we have specialized camps to fit the developmental needs of all players. Everyone who arrives ready to learn, work hard and have fun will have a unique and meaningful camp experience!

ON ICE

Based on age and ability, players will be evaluated and placed in small groups for on ice instruction. We select challenging and enjoyable activities to help each camper improve his/her skills. Hockey fundamentals will be developed and improved through the implementation of a progressive series of drills. Proper techniques in forward and backward skating stride, acceleration, turns and stopping will be taught and reviewed on a daily basis. In addition, drills will be incorporated to develop the players puck control, passing and shooting skills. Scrimmages will also be held to help develop the players awareness of game situations.

HOCKEY STAFF

The Camps are under the direction of Steve Santini and Chris Huntington.

Chris Huntington - Hockey Director at the Brewster Ice Arena. Played hockey at Canterbury Prep School and Union College and went on to be the Associate Head Coach at Hobart College, an NCAA School. Played professional hockey in the European League. In the 1996-97 season coached professionally as Head Coach of ESC Munich, Germany. Director of the Elite Summer Hockey Training Center in N. Andover, Mass. Chris is also a professional college scout.

Steve Santini - attended the 1983 USA Hockey National Midget Elite Camp at the US Olympic Center in Colorado Springs, CO and played at the University of Maine. Co-founder of the NY Apple Core Youth Hockey Association which produced National Championship Teams at the Bantam and Junior "B" level. Founder of Brewster Bulldog Youth Hockey. Head Coach of Brewster Bulldog Travel teams and NYS Player Development. Steve has been Head Coach of the Hudson Valley Empire State Games Hockey Team.

BIA CAMPS OTHER INFORMATION

TO REGISTER: Fill out the form on the back panel and return with your check made payable to **The Brewster Ice Arena**. Payment can also be made with **Visa** or **Mastercard**. Payment in full is required at time of registration. Please deduct 5% from the cost of each week of camp if you are enrolling for multiple weeks. Please deduct an additional 10% if you enroll prior to June 1st. Other discounts do not apply. Returned checks will be subject to a \$25. Fee.

EQUIPMENT: Each player must have USA Hockey certified equipment including skates, helmet and face mask, protective cup, shoulder and elbow pads, shin guards, hockey pants, socks, ice hockey gloves and a stick. Please label all equipment. A jersey will be provided by the camp. Street hockey equipment is not acceptable. Please see our Pro Shop if you have any equipment questions.

Campers must be dressed and ready to go on the Ice at class start time.

MEDICAL INSURANCE: As a condition of being allowed to participate in the Brewster Arena Hockey it is incumbent that each participant should have his/her own medical insurance. The Brewster Arena Hockey Camp and its staff will not be responsible for any medical or dental expenses. Medical/Liability Waiver and Medical Release Form must be signed by parent or guardian at time of application.

OTHER: The Program is structured so that every aspect of the camp improves each player and discipline is essential. Any player disrupting the camp and it's format will be excused from the camp without a refund. It is important that parents stress attention and hard work to the students so that they understand that they will get out of the ice what they put into it.

THE BIA CAMPS

FUTURE STAR (AGE 4-10)

Designed for Beginner/Intermediate players who are just learning the game and/or have been enrolled in our Mini Mite Initiation Program, Learn to Play Hockey or our House League. Basic Skills will be stressed including skating, passing, shooting, stopping, edge-work and fun! Some basic scrimmaging will be included to teach positioning and rules of play.

CHECKING AND DEFENSE

This camp will teach the right way to check. Many players tend to check improperly and need to learn leverage, balance, angling and the use of the proper body parts to check effectively. Instruction on how to receive a check and control the puck when checked will be stressed to improve ones physical aspect of the game. Defensive drills and scrimmage games will help players adjust and excel at this important aspect of the game.

CANADA RUSSIA CAMP AND TUNE-UP

This camp is for those players who are playing travel hockey or are going to tryout for a travel hockey team. High tempo drills will enhance skills, teach positioning and situational play. Basic fore-checking and breakout systems will be taught as well as conditioning drills.

STICKHANDLING & SHOOTING CAMP

This camp is designed to specialize in improving speed while possessing the puck and improve awareness and game sense. Rarely do players get to concentrate on these skills for an extended period of time. Guaranteed to improve handling and shooting skills.

MIDGET-JUNIOR TRAINING CAMP

These sessions are formed to get the older players together and in shape for the early demands of the season. High tempo drills, conditioning & vigorous workouts will get players timing back after the summer break.

GOALTENDING CAMP (AGES 6-15)

All goaltending techniques including skating, angles, break away situations, skate save techniques, rebound control, stance and positioning as well as mental training. Proper stretching exercises as well video instruction and equipment maintenance will be taught.

**PRIVATE HOCKEY LESSONS ARE AVAILABLE
- THROUGHOUT THE SUMMER -
BOOK IN ADVANCE TO RESERVE TIMES.
