### SPRING REC 3v3 Developmental LEAGUE

The Brewster Ice Arena has developed a unique spring opportunity for young players to enhance skills, quicken reaction time, have fun and enjoy the game of hockey. The Brewster Ice Arena fully supports the USA Hockey philosophy of the American Developmental Model ADM and uses the small area games theory regularly to develop players to their maximum potential. During the last 12 years the Brewster Ice Arena has helped in developing players, moving many local players to the Collegiate level & beyond.

Each Team & Division will be designed to maintain parity and players will be placed accordingly all season. Each team will have a maximum of 10 players and all players will receive a jersey after evaluations. Each session will have 20-30 minutes of skills and Cross-Ice Games so players are constantly on the ice, involved in the play to increase awareness, decision making, and develop overall skill while having fun.
